is respected as an arms-length trusted contracting officer by Agency contractors.

The National Photographic Interpretation Center has been fortunate to have had the services of during the past eighteen months. This has been a particularly crucial period in our Research and Development program because of the product of the pro	STAT
ment program because of the need to prepare to meet the requirements of	
on-conting systems. I had worked dimental with the continue	
R&D component from the beginning of key projects through to the completion of contractual agricum.	
pletion of contractual actions. Wis accordance to the com-	
pletion of contractual actions. His efforts have made a substantial	
contribution to the effectiveness of this important program. In re-	
cognition of his outstanding support to NPIC, and the Agency, it is	
be awarded the Certificate of	
Werit.
